About The Event

MARINE VIETNAM 2018 is the only specialized Maritime and Offshore event in Vietnam that brings together an international congregation of offshore, maritime companies and also its supporting industries gathered in Vung Tau City, to showcase the latest developments in the industry.

Fireworks Exhibitions and Conferences which have organized successful international Offshore events such as ASEAN Oil & Gas Expo (AGEX), Indonesia Oil & Gas Expo (IGEX), Oil and Gas Thailand (OGET) is the organizer of this premier event.

Highlights Of MARINE VIETNAM 2018

Networking Nite | Shipbuilding and Maritime Technology Seminars | Marine Conference

Facts Of Vung Tau

Vung Tau Is Strong In Oil & Gas Development And Shipbuilding.

Vung Tau is located in the south of Vietnam (just an hour boat ride from HoChiMinh City), situated at the tip of a small peninsula. It plays a significant role in Vietnam's offshore oil industry. Vung Tau is the only petroleum base of Vietnam where crude oil and natural gas exploitation activities dominate the city's economy and contribute principal income to Vietnam's budget and export volume. In addition, Vung Tau is also strong in shipbuilding with over 50 seaports which are invested by the shipping and marine terminal operators group in the world such as PSA (Singapore); Hurchison (Hong Kong, China); Maersk (Denmark); SSA Marine (USA); CMA-CGM (France); Yang Ming (Taiwan - Chinese) ... since the government has a policy of relocating the inner harbor in Ho Chi Minh City, Ba Ria-Vung Tau seaport became the center of the Southeast region, the port group No. 05 include: Ho Chi Minh City, Dong Nai and Ba Ria-Vung Tau. The major ports focused primarily on the Thi Vai River. Saigon Port and Ba Son factory relocation and construction are major seaport in here. Thi Vai River flows ensures deep capacity ships docked on 50,000 tons. The container ship over 100,000 tons were landed BRVT can go straight to Europe, America. So far, the province has 24 / 52 ports went into operation, the remaining ports are in the process of planning and construction. Ba Ria Vung Tau Province is the gateway for the Southern region, located near the international maritime and port provinces with Vietnam.

Developmental Vision For Maritime Shipbuilding Industry In Vung Tau

With the sea mouth and own over 50 seaports, VungTau has an ideal condition for the shipbuilding industry and sea transportation. On 7th March 2014, Vietnam Maritime Administration and Associates Saigon Port - PTSC - PM - Vinacom signed leases exploit harbor Thi Vai International General under the approval of the Ministry of Transport in 172/QD-BGTVT Decision dated 17th January 2014 regarding the approval of the evaluation results Bids Package 2 "Option mining lessee aggregate national harbor Thi Vai International ". Cai Mep - Thi Vai international port is the first project the Government of Vietnam port operators selected through open bidding forms in the country. about management and flow of maritime port, proceed to break down the monopoly, increased competition, improve service quality and generate breakthrough for enterprises of Vietnam port operators meet Vietnam's commitments after joining the World Trade Organization (WTO).

Fact of Vietnam's Maritime Industry

Vietnam is ranked 5th in the world for Shipbuilding. Vietnam has entered the shipbuilding stage and is ranked 5th in the world for shipbuilding. The country's government has declared the sector one of its priorities and is investing in increasing its output capacity as well as the technology level of the sector. (Source: Clarksons/ CESA)

Vietnam's Marine & Shipbuilding Related Investments to speed up. By 2010, Vinashin is expected to invest nearly VND 4,000 billion in shipbuilding establishments in Haiphong, raising capacity for building new ships and repairing ships with a view to earning revenue of VND 8,000 billion.

Accordingly, big shipbuilding factories in the city will be expanded and restructured to the model of parent companies to form shipbuilding industry groups. Bach Dang Shipbuilding Corporation has invested in a modern production line to manufacture ship hulls in order to provide semifinished products to other shipbuilding factories. Pha Rung Shipbuilding Corporation's project on expanding and raising production capacity in Minh Duc town, Thuy Nguyen district has been also approved.

NASICO is forming a new production system to build the second 70,000-tonne ship beam and a 300-metre wharf. NASICO now has 13 member companies and the number will be increased to 28 members in the coming time. NASICO has signed many new contracts that ensure jobs for more than 5,000 workers until 2017.

Established in 2008, PT Fireworks Indonesia is part of the Fireworks Trade Media Group up of a large conglomerate of trade media companies which owns businesses ranging from directories and magazines to trade exhibitions and conferences. In merely 10 years, we have grown leaps and bounds with our own international offices spanning in more than 11 countries, bold expansion moves one may say, but we have since silenced the critics with excellent response from our media and our commitment to give our customers the relationships and big ideas to do different and better business remains unchanged.

Driven by a rich think-tank of ideas and helmed by a management team that comprises of the youngest trade exhibitions entrepreneurs in the industry, Fireworks is set to light up the stereotypical dull industrial exhibitions and publications scene with its fiery display of ideas and innovations!

Headquartered in Singapore, Fireworks Trade Media Group is currently made up of 4 different business units namely:

Fireworks Exhibition (FE) - International trade exhibitions organizer.

Fireworks Business Information (FBI) - A publishing company specializing in publications such as Trade Directories and Trade Magazines.

QUIK Fairs (QF) - Trade event organizers for Industrial Roadshows and Niche Events.

JUZ Talk (JT) - Professional organizer of international Trade conferences and Forums.
